

AL-III-C-109 Pennell House
Old Dehaven Rd.
Cumberland vicinity, Allegany Co. MD
Not Eligible

This two-story frame house measures four bays long with a small enclosed porch at the rear. A one-story porch covers the east-facing main facade. Two doors occupy the center bays. A small chimney rises from the middle of the metal-clad roof. Aluminum siding sheathes the walls and modern aluminum 1/1-sash windows light the house. A small frame gabled outbuilding resting on a concrete-covered semi-exposed cellar is located north of the house. A small frame bank barn stands to the northwest.

Modern materials have so altered the design, materials, workmanship, and feeling of this building that it is recommended as not eligible for the National Register of Historic Places.
